

COMPRESSED WORK WEEK AGREEMENT

The 42.5 hour compressed work week states that:

"I understand that in the retail industry the work hours are for 6 days in a week, eight work hours per day excluding lunch hour. I understand that I would have to complete 48 hours in a week with this system. It is preferable for us partners that we work for five (5) days a week to allow us more time for our friends, family and personal pursuits and besides, this is more economical. In return, I am willing to abide by the 8.5-hour work week consisting of 42.5 hours a week. I understand that the 5.5 hours are not compulsory for us to complete, however, should the company and the workload demand it I will complete the 48- hour work week so that in case of overtime work, I understand that I have to render (5.5) hours work to complete the 48 hours before I can be entitled for overtime pay."

Herewith, the undersigned hereby understands and is in agreement to the 42.5 Hour Compressed arrangement of Rustan Coffee Corporation.
